Sie möchten Teil unseres Teams werden? Wenn ja, dann nutzen Sie die Chance und bewerben Sie sich bei einer der weltweit bekanntesten Marken als

PRAKTIKUM / INTERNSHIP - IT BUSINESS & PREDICTIVE ANALYTICS (F/

Wattens, Innsbruck, Austria
888421-ws

WHAT YOU CAN EXPECT

During the 6-month internship you will have the opportunity to work with our IT Business Analytics team building products that applies modern predictive analytics techniques to translate data into meaningful information. In this role you will

- Analyze data to derive actionable insights
- Build statistical models (both descriptive and predictive)
- Help to develop analytical tools using real business data
- Perform the execution of test and support system evaluation processes
- Document obtained results

WHAT WE EXPECT

You are a motivated talent who is eager to learn and develop. You are curious and excited to imagine and create new ideas by inverting self-adaptive model as well as to try new tools and technologies. Furthermore, you bring the following background:

- End of BSc or MSc in Statistics/Mathematics/Computer Science or related
- Analytical mindset and attention to details
- Knowledge of Inferential Statistics (Predictive Analytics is a plus)
- Coursework or first experience in Data Mining/Machine Learning algorithms (regression, clustering, decision trees, time series, text mining etc.) is a plus

Swarovski bringt das Funkeln in den Alltag der Menschen – als weltweit führende Marke von geschliffenem Kristall und als Partner von Visionären. Werden Sie Teil der bis 1895 zurückreichenden Tradition und Erfolgsgeschichte, und beginnen Sie gleichzeitig, Ihre eigene zu schreiben.

D. SWAROVSKI KG
WITOLD SEKULSKI
6112 WATTENS
WWW.BRAND.SWAROVSKI.COM

- Ideally first experiences with SAP/Hadoop or relational databases (SQL)
- Coursework or first experiences in R/SAS Programming or relevant preferred
- Fluency in English or German

WHAT WE OFFER

Swarovski was founded in 1895 in Wattens, Tyrol. Contribute to our company, and make our success your own. Wattens, Tirol is located in one of the best-known holiday regions in Austria, close to Innsbruck. One of the most beautiful old towns in Tyrol is just a few minutes away. Our attractive salary packages include a number of benefits such as a company restaurant and various sports. Due to legal reasons, we advise that the collectively agreed base monthly salary for this position is at least € 1.497,86,- gross. Our actual salaries are market competitive, and take individual qualifications and experience into consideration.

Do you think you would enjoy this role?

If so, we look forward to receiving your online application.
